# Welcome to Upfront

Tucked away in the heart of the Cumbrian countryside, our family-run venue offers you and your guests a rustic retreat in a stunning 16th century barn with converted farm buildings and newly built spaces that beautifully balance old charm with modern comfort. We've been welcoming guests since 1997 and we absolutely love what we do. Now we're inviting couples to celebrate their day with us in a way that feels real, relaxed, and entirely their own.

Upfront is ideal for wedding celebrations of up to 150 guests, with accommodation for up to 27 people across a charming cottage and several eco-lodges. Additional glamping options can be provided onsite, along with a range of nearby places to stay for your guests.

With over 50 years' experience bringing people together for arts, music and celebrations, we know how to create a great atmosphere. With our licensed bar, restaurant and friendly, hands-on team, we'll look after every detail so you can focus on enjoying your special day.

# The Space

Upfront is home to a vibrant music venue, puppet theatre, vegetarian café and holiday accommodation, set across beautiful buildings and private spaces within peaceful, rural grounds.

At the heart of the venue stands a beautifully preserved 16th-century barn with traditional oak beams & balcony space. The barn offers an intimate setting for dining, seating between 50 – 80 guests, with the adjoining theatre space accommodating up to 100 seated.

The courtyard is ideal for sunny days and gathering round the fire pit in the evening, leading to our light open plan foyer with bar in the converted farm buildings – the perfect space for welcome drinks and canapes.

As evening falls, the venue comes alive with music, dancing and celebration — complete with a full setup for bands, DJs and live entertainment.
